Vendor-sponsored database access (requires user self-registration):

Please note vendors are phasing out free remote access to these databases as COVID restrictions lift. These databases are available in the library during open hours:

LexisNexis® is a leading global provider of legal research and analytics solutions, and one of the industry's premier resources for primary law with a robust collection of case law, statutes and regulations. LexisNexis Patron Access is a service that your library purchases and provides to the public granting individuals access to select LexisNexis materials and enhanced research tools, including innovative search tools and powerful visual analytics. If you are unable to visit our facility, you can request a [free, 7-day trial ID](#). Have technical questions? Please see the [latest videos, guides and other resources](#) to help you research more efficiently.

Westlaw offers complementary 7-day remote access to Westlaw Edge for patrons. Self-registration required:

1. Access the Westlaw Edge trial page and enter your email address: <https://legal.thomsonreuters.com/en-us/products/westlaw-edge/trial-overview>
2. Enter your contact information. In the Organization Type field, please select "Library User"
3. Create User Name and Password and complete Security fields
4. Click Launch Trial

Please note vendor-sponsored resources may have printing/download limitations and restrictions
